INTRODUCTION

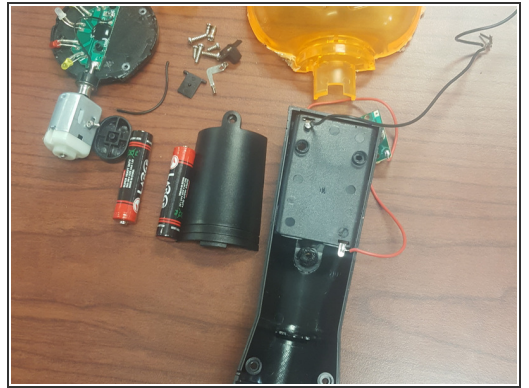

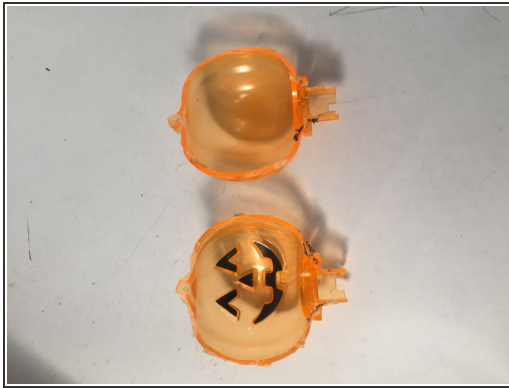

Doing this guide will accomplish me finding out how this device works & whats and side , why it is functioning the way it is and more . Engaging in this guide will also give me the idea of creating something else with the same object .

Step 1 — Pumpkin Halloween Toy Teardown

- First me and My Team members Found a tear down to use for our project . There was a pumpkin halloween toy with a light inside and we decided to tear it down and discover whats inside . So we decided to take off the bottom peice .

Step 2

- We than began to use the dremel to tear down our pumpkin and open it up and we have our results .

To reassemble your device, follow these instructions in reverse order.
